Notes

- If an athlete is overweight at the time of weigh-in, they will receive extra time until the end of the official weigh-in to reduce weight. If, after this time, the weight does not comply with the entry, the athlete will be disqualified and the bracket will record a walkover. No weight tolerance applies.
- If a properly entered, verified, and weighed athlete is alone in a category and cannot be moved to another suitable category, they will receive a medal and diploma for 1st place according to the entry.
- An athlete may enter two weight categories (their own and one higher). Failure to make the declared weight results in disqualification without a refund. Overweight athletes at weigh-in get extra time until the end of the official weigh-in; if still non-compliant, they will be disqualified. No weight tolerance applies.
- If a team is alone in its category, the athletes will receive a medal and diploma for 1st place according to the entry.
- In pointfighting team competition, a team may consist of only three athletes from the same club.
- The event will be held in accordance with PZKB/WAKO regulations.
- Valid personal accident insurance (NNW) for athletes (provided by the club).
- Protective equipment must comply with PZKB/WAKO regulations (the organizer does not provide equipment).
- Bout times, weight and age categories as per PZKB/WAKO regulations.
- The organizer reserves the right to adjust the event programme in consultation with the Chief Referee.
- The organizer reserves the right to make time adjustments to the above schedule and will inform directly during the event.
- Catering: a food point will be open on site.
- Each club must register coaches via SPORTDATA by Tuesday, 17 November 2026, 23:59 to. See competition rules points 8–10. Licences must be active in the WAKO RSportz databases no later than Tuesday, 17 November 2026, 23:59. It is not possible to register coaches or other individuals after the registration deadline.
- Based on the submitted registrations, ID badges and wristbands will be issued, authorizing movement within the hall. Access to the lower level of the hall will not be permitted without both an ID badge and a wristband. Security personnel will not allow individuals lacking both a wristband and an ID badge onto the lower floor.

Requirements

- clothing and equipment according to WAKO rules,
- GENERAL International Polish Kickboxing Cup 2026
- GENERAL WAKO Liability Waiver 2026
- GENERAL WAKO Medical Certificate - kickboxer 2026
- GENERAL_WAKO Medical Clearance 2026
- GENERAL_WAKO Medical Questionnaire 2026
- GENERAL_WAKO Parental Consent 2026
- valid individual insurance.

Possible accomodation

- many accommodation options available in Będzin, Sosnowiec, Dąbrowa Górnicza, Czeladź and Katowice - check booking.com or similar sites.

Competition Regulations

1. The event is held in accordance with PZKB regulations.
2. Every club must comply with the "Będzin Arena" hall regulations.
3. Every club must follow the competition regulations, orders and prohibitions, comply with instructions from event staff, and adhere to announcements made by the organizer and Chief Referee during the event.
4. Each club appoints a team manager responsible during the event for ensuring that athletes, coaches, and accompanying persons (parents, fans, etc.) follow the regulations and instructions as above.
5. If persons from a given club (coaches, athletes, parents, other accompanying persons) fail to follow announcements and regulations, the organizer and Chief Referee may impose sanctions on the club.
6. Each club occupies seats in the upper stands during the event.
7. Throughout the event, accompanying persons (fans, parents, etc.) may remain only in the upper stands. They may not be on the lower level nor in the competition zone.
8. Clubs receive accreditations for seconds only for persons holding a valid coaching, athlete (amateur), referee, or pro licence. For athlete licences

(amateur or pro), the athlete must be assigned to the club requesting the ID; otherwise, no ID will be issued.

9. Only adults may act as seconds during the event.

10. Each athlete, coach, and referee receives an ID and wristband authorizing movement on the lower level and in the competition zone. See point 8.

11. Access to the competition floor is restricted to individuals with the following credentials: coach, competitor, referee, media, event staff, and PZKB.

12. Live streaming will be conducted during the event. Therefore, by decision of the organizer in agreement with the Chief Referee, all athletes, coaches, etc. may be asked to stay only in the stands.

13. Athletes and coaches may enter the competition zone only when called to report for a bout.

14. If an ID is lent to an unauthorized person (e.g., fan, parent), the organizer will confiscate that ID. A repeat incident from the same club will result in the club losing all IDs; only one coach will then receive an ID. Athletes will be moved to the stands and may enter the lower level only directly before their bout when called to the tatami.

15. During the event, the stands located on the lower level are out of use. It is forbidden to occupy seats there or leave items/equipment there.

16. It is forbidden to occupy space in the lower level, competition zone, or leave items/equipment there.

17. Athletes and coaches may enter the competition zone only in the designated places. It is forbidden to jump over or move barriers, posts, etc. delimiting the zone.

18. Each club maintains cleanliness and order during the event. Each day before leaving the hall, clubs must tidy the area in which they stayed.

19. If an area is left dirty/untidy, the organizer may seek compensation/financial damages.

20. Clubs are responsible for any damage caused by their athletes, coaches, or accompanying persons.

21. In case of damage, the organizer may seek compensation/financial damages.

22. On registration day and during the event, the hall car park is reserved for organizers, referees, medical staff, and city authorities. Clubs should use other parking areas nearby.

23. On registration day, athletes waiting for weigh-in must remain in the stands. For registration, only the team manager and one helper may go. Athletes leave the stands only to undergo weigh-in. After weighing in, the club immediately returns to the stands or leaves the hall.

24. Only videographers/photographers designated by the organizer and bearing appropriate accreditations/IDs may film and photograph on the lower level and in the competition zone.

25. Athletes and coaches with IDs may film and photograph during the event on condition that photos and videos shared online/social media, especially on Facebook and Instagram, tag the Polish Kickboxing Association profile/fan page in the post where the image or video is shared.
26. Athletes must attend the medal ceremony in club kit (tracksuit) and sports shoes. It is forbidden to attend in flip-flops or barefoot, or in fight gear (shorts, fight shorts). As many athletes compete in several formulas, it may happen that when called to the ceremony they are already in fight equipment. The organizer may then allow such a person to attend wearing fight gear (e.g., foot protectors instead of sports shoes).
27. Information on the start time of ceremonial decorations and the order of categories will be announced regularly. Athletes must be ready (dressed per regulations) and be near the ceremony area so as not to delay medal presentations. Otherwise, the category may be moved to the end of the queue.
28. It is forbidden to bring flags, scarves, shawls, or other items that spoil the aesthetics of the medal ceremony.
29. Athletes competing in several formulas must expect to be called for the medal ceremony during their bout. To avoid delays, the organizer may proceed with the ceremony without waiting for absent athletes.
30. There will be a designated area for photographers/videographers at the ceremonial decoration. They have priority. If athletes/coaches enter this area and obstruct/delay their work, permission for athletes/coaches to take photos during the ceremony will be withdrawn. In such case, after the event, the organizer will provide photos/videos from accredited photographers to the Polish Kickboxing Association, which may share materials with the clubs.
31. The organizers, in consultation with the Chief Referee, reserve the right to make later changes to this competition bulletin.
32. Competitors participating in multiple disciplines or categories should be aware that bouts may overlap. In such cases, the organizer and referees will not reschedule bouts, so as not to delay the conclusion of the competition. However, the organizer and the head referee will schedule bouts in a manner designed to prevent such situations from arising.
33. Referees will not reschedule bouts due to a shortage of coaches or seconds—for instance, if they are occupied with bouts on other mats or rings. In such a situation, a club may utilize the assistance of coaches from other clubs.
